ACCESSORIES

AUSTIN ● AUSTIN-HEALEY ● MORRIS
M.G. ● RILEY ● WOLSELEY

RADIOS

Two complete lines British made by Smiths, Canadian made by Automatic. Choose a universal one piece radio with built in speaker to fit all B.M.C. vehicles OR a custom built unit for your car. Your choice of manual or push button operation at a reasonable price.

ENGINE HEATERS

Models available for the whole B.M.C. range. Ensure Winter motor warmth, faster warm air to car interior, reduces load on battery and starter.

BMC ACCESSORIES ARE MADE TO FACTORY-APPROVED SPECIFICATIONS

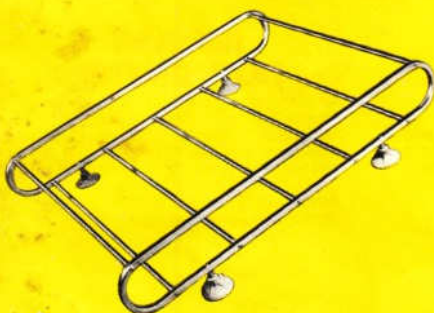

RUBBER MATS

Protect the quality carpets in YOUR automobile with these sturdy rubber mats. Fit all models. Available in Red, Blue, Green and Black.

MUD FLAPS

A distinctive B.M.C. contribution to safer bad weather driving. Prevents dirty rear windows. Improves bad weather visibility for the driver behind you. Made of durable rubber, bonded to canvas. Black, with eye catching white rosette.

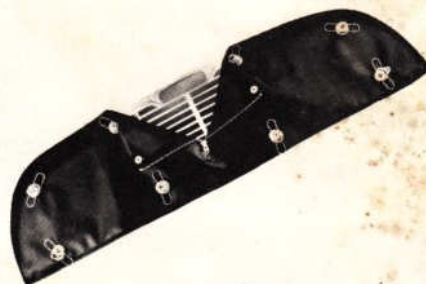

ROOF RACKS

Manufactured from non-corroding long life aluminum. Complete with suction cups and hold down straps in sizes to fit all B.M.C. automobiles.

WINTER FRONTS

Completely custom made for all current and many earlier models. Reduce grille corrosion and assist in rapid cold weather warm-up. Budget priced — black only.

SEAT BELTS

The B.M.C. "Shoulder Harness" type seat belts are custom made for your car. The safety of you and your passengers is important. Ask about the automatic version available at slightly extra cost. Your dealer can supply rear seat belts for added safety.

DRIVING LAMP

The latest additions to the B.M.C. lamp section, "Projector" long range lamp, and the "Pathfinder" fog lamp (white lens only). These lamps feature super sealed-beam units with increased power and improved beam pattern. Switch cable and connectors included.

MinipassionMini.com

DRIVING LAMP

An old friend to many B.M.C. enthusiasts. Available in two versions:—

- (a) Long range or fog lamp with white lens
 - (b) Long range or fog lamp with amber lens
- Your choice of back mounting if required.

DRIVING LAMP

The long-long range "Ranger" lamp (also available as the "Fog Ranger"). Ultra slim modern design ideal for mounting in restricted locations. Special mounting stem for upright or rear mounting included.

BACK-UP LAMP

Modern slim design with special rear mounting. Mounts flush to trunk lid. Powerful spread beam makes night time reversing easy.

GRILLE GUARD

Protect "grille beauty" against accidental damage with this inexpensive accessory. Heavily chrome plated for long lasting service. Immediately available for all current models.

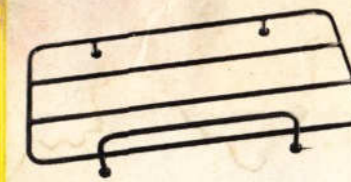

REAR BUMPER GUARD

Extra protection insurance for rear lamps, trunk lid, and rear bumper. Heavy chrome finish. Available for most B.M.C. models.

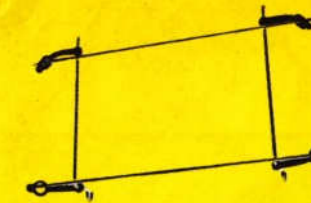

BADGE BAR

Specially designed. Dress up your automobile with club and association badges. Super chromed for long service. A must for the sports car owner.

LUGGAGE RACK

Designed especially for the host of B.M.C. sports car owners. Dual purpose — bolts permanently to the trunk lid or attaches temporarily with special suction cups. (Suction cups extra).

SKI RACK

Another special sports car design, to be used with the B.M.C. luggage rack. Two models — one for MGA, Austin Healey Sprite I and Austin Healey. The other for MGB, Midget, Sprite II and III. Complete with durable rubber ski retainers.

BMC MOTOR ACCESSORIES ASSURE THE DISCERNING CAR OWNER OF ENHANCED COMFORT, EXTRA PLEASURE AND ADDED SAFETY

THE MAP LAMP

Ideal night driving accessory — hooded anti glare light switches on and off by rotating heavily chromed cover.

ASH TRAY AND CIGARETTE LIGHTER

The perfect accessory pair. Ash tray mounts to dash with screws or suction cups (brackets included). Individually monogrammed for every B.M.C. make. Long life lighter installs easily in dash (bracket available for under dash mounting).

SPEEDO WITH INDIVIDUAL TRIP RECORDER

An absolute must for the rallyist and enthusiast. Available for models not originally equipped with trip recorder.

IMPULSE TACHOMETER

Another enthusiast accessory. Check engine revs at a glance. Simple connections to ignition system. Can be mounted in dash or in ultra modern spun aluminum dash top nacelle (extra). Available for all models including domestic automobiles.

INSPECTION LAMP

Ever have a flat at night? You will appreciate the value of this beautiful dye cast bronze lamp. Stand it on its base or suspend it by the built in hook. Complete with plugs and fourteen feet of cable.

THE B.M.C. BATTERY

Canadian made for Canadian climates. This rugged long-life battery is fully guaranteed by B.M.C. Made from the finest materials to B.M.C. specifications.

POLISH

Made to a special formula for B.M.C. This polish and chrome cleaner will preserve the "factory finish" of your automobile.

TOUCH-UP PAINT

Made and packaged especially for your car, ideal for repairing stone chips and scratches etc. Available in handy spray cans (lacquer) or in brush-on cans (enamel). Will give a perfect colour match.

EXHAUST DEFLECTORS AND EXTENSIONS

Add that touch of distinction with a custom made exhaust deflector (with Austin, Morris, MG, Riley or Wolseley insignia) or if you prefer see the straight heavily chromed exhaust extension.

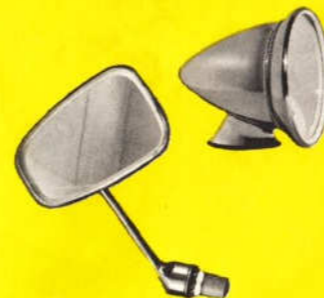

FIRE EXTINGUISHERS

Looking for low cost fire insurance? These handsome chrome plated fire extinguishers are for the discerning owner. A useful home accessory too. See one at your dealers.

SPORTS COIL

Give the ignition system "that little extra". Features higher voltage output, increased heat dissipation, "ribbed" tower to prevent cracking. Allows increased spark plug gaps to give easier starting and "plus" performance.

MIRRORS

Designed to give your car added safety and elegance. See the fixed and "spring back" fender mirrors and the special sports car streamlined mirror (illustrated). All heavily chrome plated for durability and protection.

SIDE SCREEN RUNNERS

Ensures easy operation of sliding side windows for sports car enthusiast. Smooth durable plastic for long lasting performance.

MinipassionMini.com

WATER PROOFING KIT

Now fitted as standard equipment, these kits are available for earlier models. Make your automobile impervious to moisture and water condition troubles.

ARCTIC BLADE

At last a real winter wiper blade. Entirely rubber covered—remains flexible under all conditions — gives you an extra safety margin in Winter driving.

WHEEL TRIM

Give wheels that touch of elegance with these heavily chrome plated B.M.C. designed wheel trims.
