Mini Branded Fire Extinguisher

An essential safety item, supplied with installation kit. Fits under the passenger seat. 1 kg - dry powder.

Safety & Security

Rock-a-Tot Infant Carrier

Versatile rearward facing infant carrier, car seat and rocker which enables easy transportation of the baby to and from the car. Suitable from birth to about 12-15 months and weighing 0-13kg (0-29lbs).

Club Class Extra Child Seat

A robust, comfortable child restraint, suitable for Mini use, forward facing, for children aged about 9 months to 4 years weighing 9-18kg (20-40lbs).

Super-Cruiser Child Seat

A very light yet robust, easy to fit forward facing child seat suitable for children aged about 9 months to 6 years weighing 9-25kg (20-55lbs).

Horizon Booster Seat

Ideal for children aged about 4 years to 11 years and weighing 15-36kg (33-80lbs), who have outgrown their child seat but are still too small to be firmly held by the adult seat belt.

The Mini is a small car with a big personality and is built with care and safety in mind. There are a number of Mini accessories which can make your journey safer and offer you complete peace of mind.

Important Note: Under no circumstances should a rear facing child seat be used in the front passenger seat of a vehicle equipped with a passenger airbag. Rover further recommends that parents do not fit any child seat on a front passenger seat equipped with a passenger airbag system. If it is essential (eg in an emergency) for a child to travel in the front, set the seat fully rearward and use only a forward facing child restraint.

All child seats are approved to ECE R44/03. Please refer to the Rover Child Safety Brochure (AKM 660) for further details on the child safety seat range. Please speak to your Dealer for information on fitment of child seats to your Mini.

NB: Please note that the covers shown may not be representative of the covers currently available.

Additional brake light making your vehicle more visible to other motorists.

Rear Fog Lamp

Additional rear fog lamp to improve the visibility of your Mini to other drivers in foggy conditions.

Roadside Lamp/Torch

A versatile roadside lamp with stand and a flashing amber light. Offers a self-test facility and a high density white torch light. Essential equipment for night time motoring. Requires 5 R20 1.5V batteries.

Mini Branded First Aid Kit

The Mini First Aid Kit includes a number of bandages and dressings that can be used in the case of an emergency. This is a legal requirement in many countries so no Mini should be without one. The kit includes basic first aid instructions and an emergency blanket.

Warning Triangle

A reflective warning triangle which every driver should possess in the event of a motoring emergency.

Carrying & Touring

The Mini enjoys driving in the open countryside as much as it does zipping through the busy rush hour traffic. However when you have got longer journeys in mind, Mini roof carrying accessories enable you to carry anything from bicycles to skis so that you can enjoy the great outdoors to the full.

MinipassionMini.com

Roof Bars

These Mini roof bars are the essential base for all Mini approved carrying systems. The bars lock onto your car for total security.
