

John Cooper Conversions

The Mini Cooper S - back to the future

The 'S' pack shown above contains everything possibly needed to convert your Mini Cooper to a fully fledged Mini Cooper S, in spirit and in name, with its exclusive side decals.

The Mini Cooper is back. Now John Cooper Conversions offer a complete range of tuning conversions, car accessories and classic Cooper spares for the Mini Cooper.

The 1275 'S' Pack, a 1990's conversion for your Mini Cooper, will bring back again the thrills and excitement often remembered from the original Cooper S.

Faster than before, refined and evergreen too, like its famous predecessor our 1990's Mini Cooper S captures all the panache of the original classic. The 'S' Pack has been developed from years of experience and expertise and offers performance straight out of a race engine tuning handbook.

Sports Handling Pack

To complement the 1990's Mini Cooper, John Cooper has developed the John Cooper Sports Handling Pack.

Consisting of five wide section low profile tyres specially developed for the Cooper by Dunlop, plus a pair of rear wheel spacers and a set of four fully adjustable shock absorbers. Handling and road holding are improved even further, besides making your car look pure race bred.

Only 1,000 of these exclusive Mini Cooper S conversions are being built

Accessories for Car and Driver

John Cooper car accessories give your Mini the authentic look and feel. Everything from Cooper wheel badges to superb Cooper rally seats are available. Most popular is a personally commissioned Moto-Lita 13" leather rimmed polished alloy steering wheel with John Cooper's signature engraved on one of the spokes.

Personal accessories and leisure wear all sporting the Cooper logo carry on our tradition of high quality goods. The specially designed Cooper watch and other stylish items are a must for any Cooper enthusiast.

More Power and Classic Cooper Spares

John Cooper Conversions are now able to offer optional tuning kits. Our 100 Bhp Road/Rally Conversion is the ultimate road conversion. In addition to our personalised accessories, John Cooper Conversions are able to supply a large selection of spares and accessories for your original 60's Mini Cooper.
