

The MOKE is BACK!

...And it's better than ever!

Yes, it's true. The Moke is back in the U.K. Brand new, factory fresh Mokes are now available from Duncan Hamilton & Co. Turn your outings into adventures with the new generation Moke. It's just as much fun as the original but boasts a whole host of modifications and extras to make it very much a vehicle of the Nineties. All Mokes now have front and rear bull

bars, a spare wheel carrier and a new easy-to-use soft top. The popular 'A Series' engine has been modified too. It's now quieter and runs on unleaded fuel. The new Moke is easy to drive and it's easy on your pocket. Take a test drive now - Suddenly you'll remember what fun is!
